

2020 Seattle GNU/Linux Conference

Exhibitor & Sponsor Prospectus

When

November 13 and 14, 2020

Where

Available worldwide! Hosting provided by the Free Software Foundation with support from our physical home, Seattle Central College in the Capitol Hill neighborhood of Seattle, WA.

Expected attendance

Historically, we've grown to have 400+ attendees over the course of both Friday and Saturday. This year we hope that the virtual conference will make SeaGL accessible to many more!

About

In its eighth year SeaGL (the Seattle GNU/Linux conference) will be responsibly taking Seattle's grassroots free/libre/open source software, hardware, and culture summit 100% virtual!

Founded in 2013, SeaGL has grown to annually host over 50 talks, four keynotes, and the Cascadia Community Builder Award. It brings speakers and participants from around the world to Seattle for a FREE, as in freedom and coffee, GNU/Linux conference.

This year, we will be fully hosted online and available worldwide, while continuing to maintain our ties to Seattle and the greater pacific northwest community.

Enterprise and Non-profit Exhibitors

SeaGL has proudly worked with both enterprise and non-profit exhibitors every year. This year's virtual expo hall will continue to make space for both business and community partners. To realize this, we are introducing a number of new sponsorship opportunities.

If you have any questions or suggestions about our plans for a virtual expo hall, please send an email to sponsor@seagl.org so we can follow up.

If your nonprofit or educational organization would like to exhibit at SeaGL, please send an email to sponsor@seagl.org telling us about your work, support, or outreach with the free and open source software community.

Sponsorship Options

SeaGL depends on community support! We are interested in talking with you about creative ways to sponsor this year's event. If you would like to offer other financial support or would like to offer some type of in-kind support, please send an email to sponsor@seagl.org.

Public health contingencies

We recognize the need to adjust along with global public health issues due to COVID-19. For this reason, we are running a virtual conference in 2020.

By planning ahead, we are creating a positive, educational, community-building virtual conference that matches SeaGL's mission. Accordingly, we will continue to adjust the plan as necessary to meet global health conditions. We will gladly work with sponsors to make suitable arrangements if adjustments are necessary.
